Rural Development Finance Corporation awards grant in Polar's service area

Polar Communications is a member of the Rural Development Finance Corporation (RDFC). As a result, communities in our service area were eligible to apply for a grant of up to \$2,000 for community-based projects. RDFC is making these funds available in order that more people become aware of their larger loan program that funds community-based projects and non-profit entities with low interest loans.

RDFC has recently granted \$1,000 to the Cavalier School PTO – Playground Safety and Upkeep Committee. The grant funds raised by the PTO committee will be used for playground safety, upkeep and additional play equipment. The committee's goal is to raise funds to cover the current playground blacktop with an asphalt overlay. This will cover play areas of safety concern and add additional play opportunity for students.

For an application, assistance, or questions concerning RDFC, please contact Lori Capouch at 701-667-6444 or lcapouch@ndarec.com.
